

CS 393
West Virginia University at Parkersburg
Co-Operative Education

Week 16 - December 9 - 15

Tasks:

Document state of code coverage and unit tests

File bugs

Lead team for deadline planning

Meetings

Technical Summary:

This week was spent on a review and cleanup of our current codebase - we explored what code coverage we had, unit and regression tests we have, and determining responsibility and targets for where we'd like to be in the next few revisions.

-Java

-JUnit

-Confluence/Wiki Markup
